Publisher:
BiNAREE, Inc.
Release Date: 5 Mar, 2018

Minimum:

Requires a 64-bit processor and operating system

OS: Win 7 or higher

Processor: intel i5

English

pale lands vr

Brilliant game and fine graphics. I like its graphic style(Not too much scary, but still makes me frightened) You can use both

gun and bow+ chicken or bomb, Feels like you became a real warrior. I really like the concept shooting arrow with chicken. Have no VR sickness and price is reasonable.. good.. Playability is bad, lots of bugs. Has not been updated since 15 Mar, 2018.
